**SPECIAL INFORMATION**

Today, the Minerals Management Service has posted more than 1,000 pages of public comments received on the Federal Oil Valuation proposed rule. An alphabetical index identifies the name of those individuals, organizations, and companies that submitted comments.

The comments can be found under What's New at the MMS website:

<http://www.mms.gov>

Should you have any questions, please call Michael L. Baugher at (303) 231-3162 or A.B. Wade at (202) 208-7746.
