

Bureau of Ocean Energy Management (BOEM)
Oregon Outer Continental Shelf (OCS) Renewable Energy Task Force
Meeting Agenda

September 27, 2019 from 8:00 am to 12:30 pm PST (with Public Input Opportunity to Follow)

In-Person Attendance	Portland State Office Building, Room 1-A 800 NE Oregon St, Portland, OR 97232
Remote Attendance	Webinar: Go to http://kearnswest.adobeconnect.com/boemfacilitation/ Follow the instructions to join the webinar and audio conference. If you are unable to join using the instructions, call into the meeting by dialing (719) 457-6443 and enter access code 655626#

Meeting Purpose:

Begin the conversation among federal, state, local and tribal governmental bodies regarding potential renewable energy activities on the Outer Continental Shelf offshore Oregon.

Meeting Objectives:

- Gain a common understanding of current and potential future processes regarding offshore wind development in Oregon.
- Begin an open conversation on potential approaches to offshore wind planning in Oregon.
- Discuss how Task Force members and stakeholders might engage throughout the process.
