Bidder Preparation

Prospective Bidders

- Login credentials are sent via FedEx. Signature is required
 - Each Authorized Individual is assigned a User ID, password and hardware token
 - User IDs and passwords are sent to the Authorized Individuals
 - Hardware tokens are sent to the Point of Contact for the Bidder
- The User Guide is available online and can be accessed via a link sent with the login credentials
- Authorized Individuals are granted access to the Auction System for the mock auction and live auction

Mock Auction

- A Mock Auction (training session) is scheduled just prior to the Auction to provide bidders with an opportunity to test their login codes and place practice bids
- Participation in the Mock Auction will occur remotely over the internet, from the bidders' respective offices
- It is recommended that bidders use the PC and connection that they intend to use for the Live Auction
- No results of the Mock Auction will be published
- The Auction Manager will provide support (by telephone and messaging facility of auction system) during the Mock Auction

Live Auction

- Participation in the Live Auction will occur remotely over the Internet, from the bidders' respective offices
- Bidders should establish a protocol in which a single Authorized Individual submits bids, and the second and third Authorized Individuals are available as backups
- All submissions are subject to the constraints of the Auction Rules
- The Auction Manager will provide support (telephone and messaging facility of auction system) during the Live Auction

Final Sale Notice

- Further details about the Mock and Live Auction details will be announced later in the Final Sale Notice (FSN)
- The FSN is important reading for any prospective bidder
