

October 2016

**Bureau of Ocean Energy Management**

Commercial Leasing for Wind Power on the Outer Continental Shelf (OCS) Offshore California  
—Request for Interest Docket No. BOEM -2016-0051.

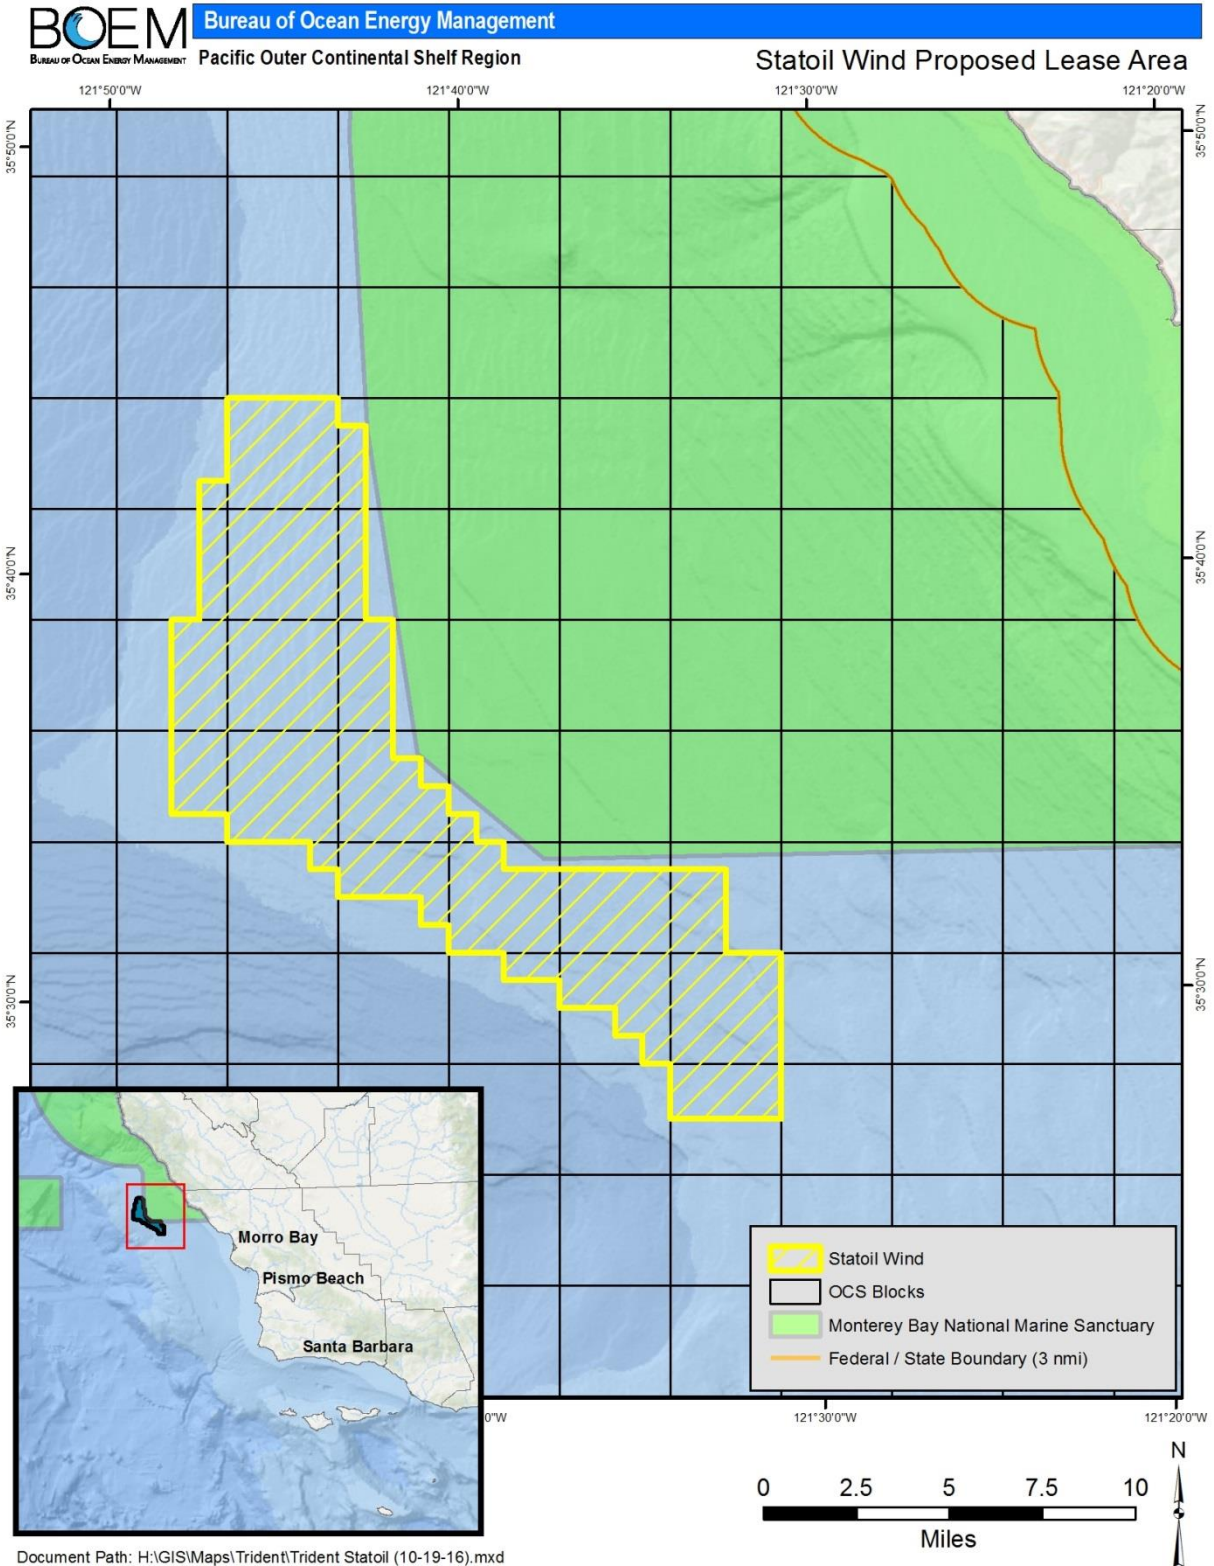

In response to Bureau of Ocean Energy Management (BOEM) *Commercial Leasing for Wind Power on the Outer Continental Shelf (OCS) Offshore California –Request for Interest (RFI)* [Docket No. BOEM-2016-0051], published August 18, 2016, BOEM received one indication of interest in response to the RFI to obtain a commercial lease for a wind energy project. In response to the RFI, Statoil Wind US, LLC (Statoil Wind) nominated the same area of commercial interest submitted by Trident Winds, LLC (Trident Winds) in the unsolicited lease request submitted in January 2016. BOEM reviewed Statoil Winds submission to assess filing completeness and has determined they are legally, technically, and financially qualified to hold an OCS renewable energy commercial lease. The following map depicts the area of commercial interest nominated by both Trident Winds and Statoil Wind.

# Trident Winds LLC Nomination
