Bidder Preparation

Prospective Bidders

- Receive, via email, the User Guide for the Auction Software
 - One copy of the User Guide will be emailed to the email address listed for the main “Point of Contact” for your company (Verify with BOEM)
- Receive, via FedEx (signature required), usernames, passwords and tokens for the Auction System for the Authorized Individuals
 - Allows access to the Auction System for the mock auction and live auction
 - One set per authorized individual

Mock Auction

- Mock Auction (training session) is scheduled just prior to the auction to provide bidders with an opportunity to test their login codes and place practice bids
- Participation in the Mock Auction will occur remotely over the Internet, from the bidders' respective offices
- Recommend that bidders use the PC and connection that they intend to use for the live auction
- No results of the Mock Auction will be published
- Auction Manager will provide support (telephone and messaging facility of auction system) during the Mock Auctions

Live Auctions

- Participation in the Auctions will occur remotely over the Internet, from the bidders' respective offices.
- Bidders should establish protocol that a single Authorized Individual will be submitting bids; and that the second and third Authorized Individuals are available as backups.
- All submissions are subject to the constraints of the Auction Rules.
- Auction Manager will provide support (telephone and messaging facility of auction system) during the Live Auctions.
