Not Offered in this Sale

Ordnance Disposal Areas

\* This is NOT a complete collection of unexploded ordnance on the seafloor, nor are the locations to be considered exact. Bidders are advised that prior to the enactment of the Marine Protection, Research, and Sanctuaries Act of 1972, historical dumping of indeterminable amounts of ordnance occurred off the shores of the United States and in the Gulf of Mexico. The presence and locations of the unexploded ordnance have been derived from graphical representations recorded on NOAA Raster Navigation Charts and are intended for coastal and ocean planning purposes only and not for navigation.
