

# The National Park Service

In the New York Bight

*May 9, 2018*

# We are more than you likely know:

- Not just iconic parks...
- Seashores and Recreation Areas
- Program Lands
- Interests and Expertise

# Our Mission

- The Organic Act of 1916 directs the National Park Service to—"conserve the scenery and the natural and historic objects and the wildlife therein and to provide for the enjoyment of the same in such manner and by such means as will leave them unimpaired for the enjoyment of future generations."

# When people think of NPS...

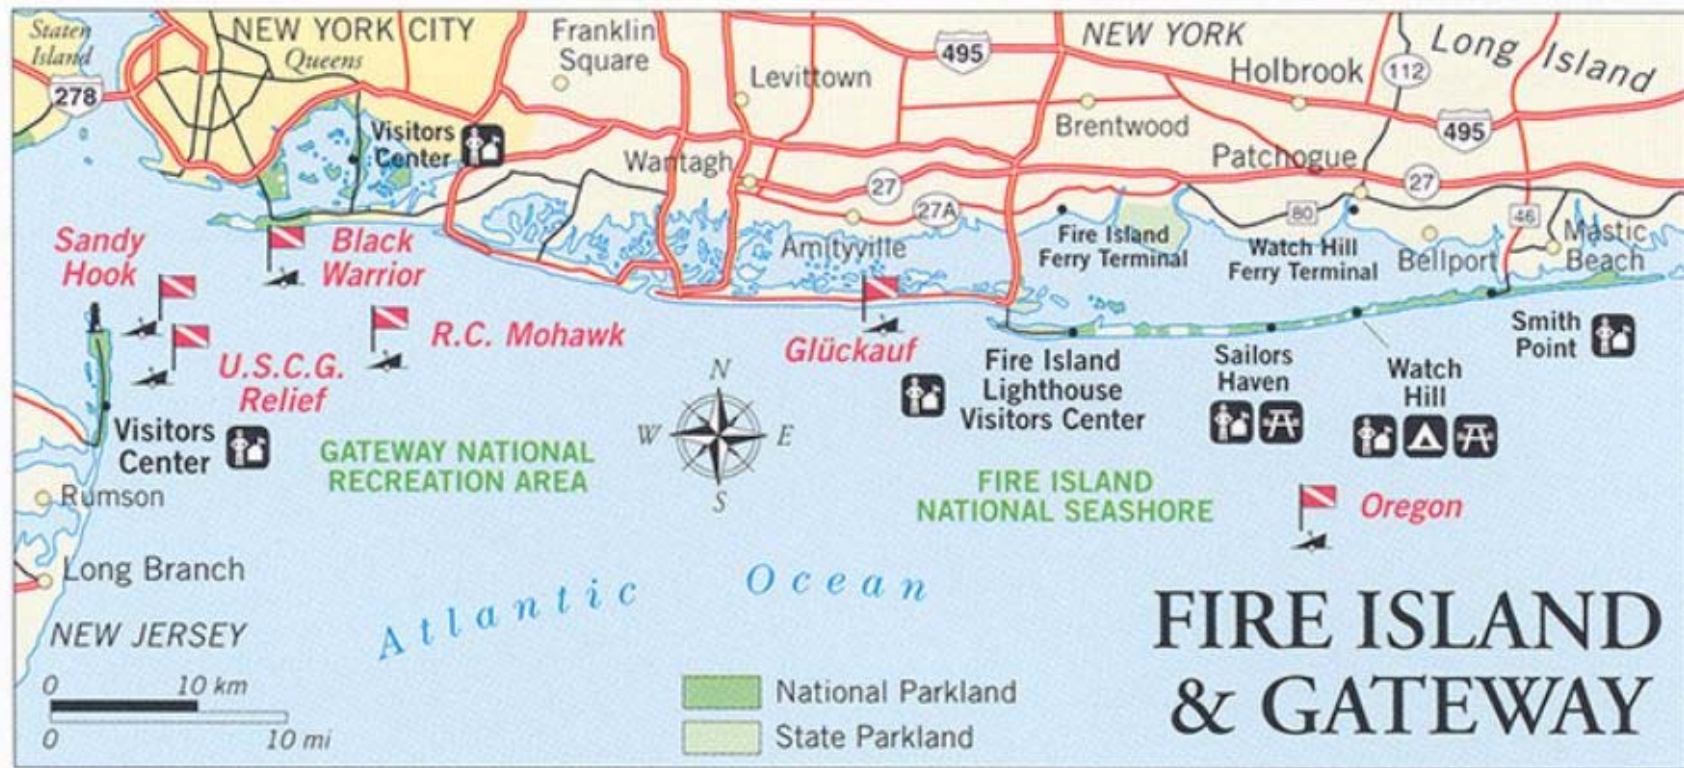

# We Also Manage...

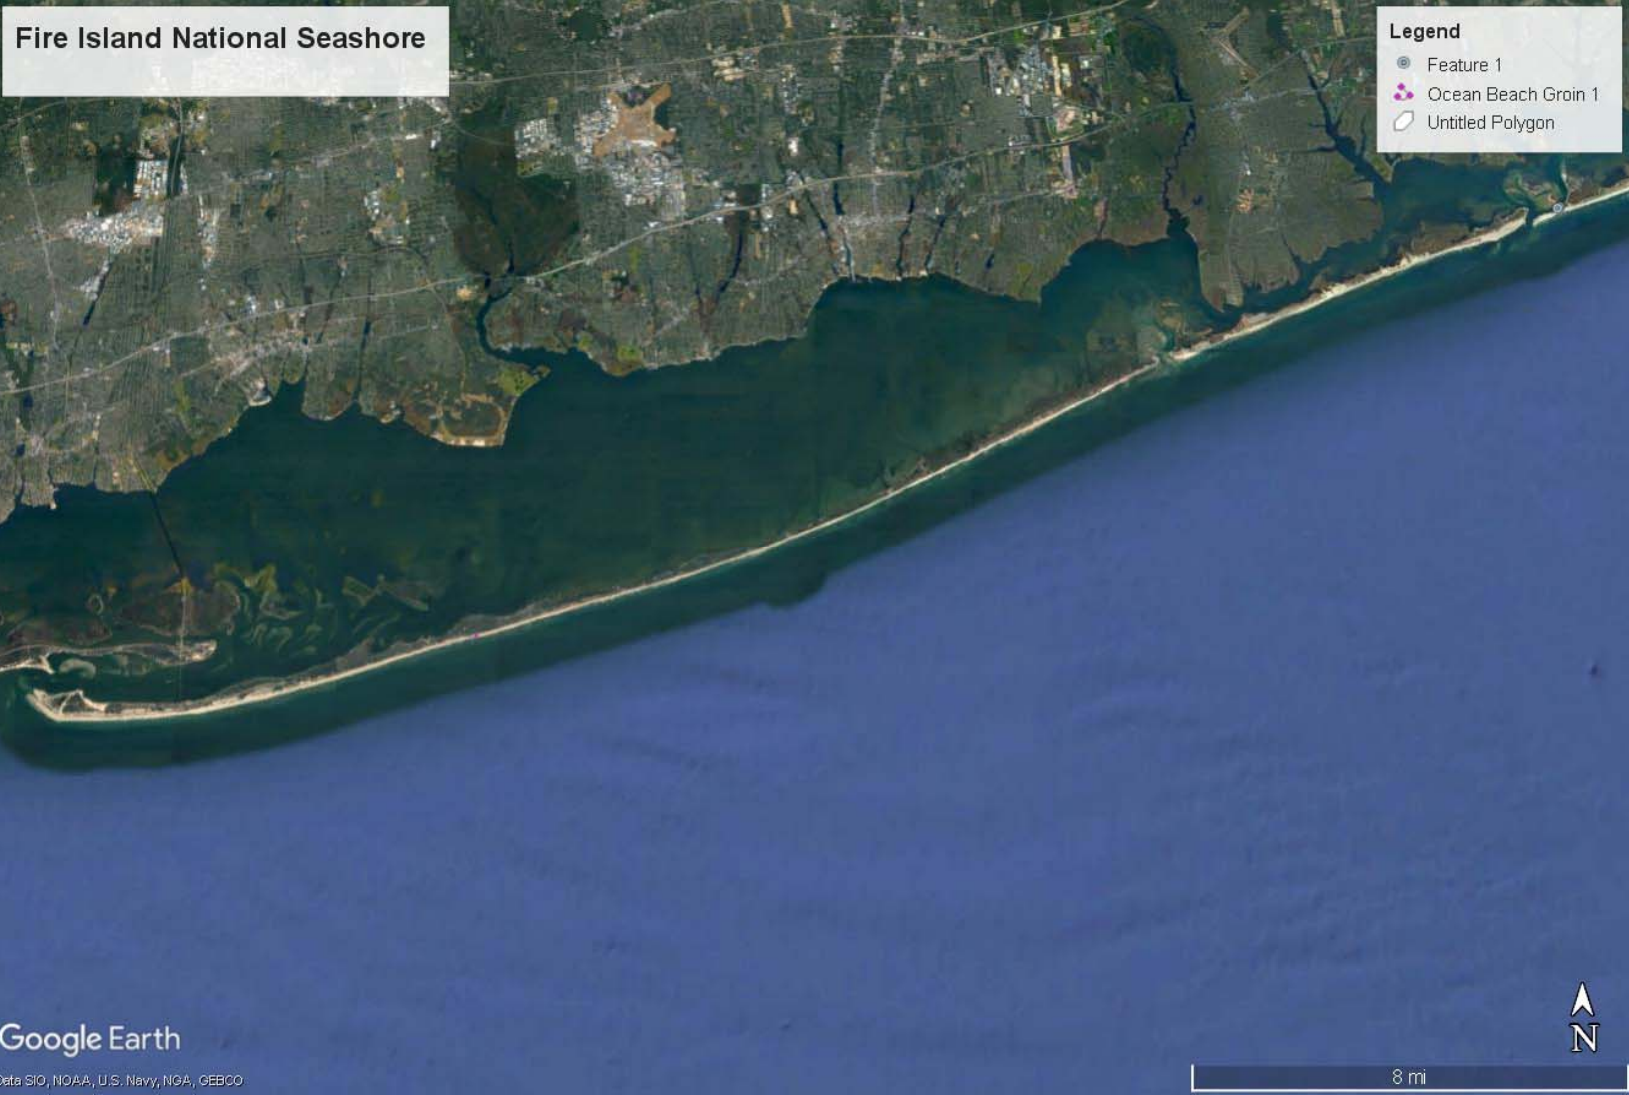

# Interests and Expertise

- Visuals
- Night Skies
- Natural Sounds
- Sediment Transport
- Onshore Infrastructure and Connection
- Recreation
- Socioeconomics
- Fish and Wildlife
