BOEM Issues a Notice of Intent to Prepare a Supplemental Environmental Impact Statement and an Opportunity for Scoping Comments for Proposed Gulf of Mexico OCS Oil and Gas Western Planning Area Lease Sale 248

The Bureau of Ocean Energy Management (BOEM) shall offer for oil and gas leasing approximately 21.9 million acres in the Western Planning Area (WPA) of the Gulf of Mexico, with the exception of whole and partial blocks within the boundary of the Flower Garden Banks National Marine Sanctuary. Although the leasing of portions of the WPA (subareas or blocks) can be deferred during a Five-Year Program, the Department of the Interior is conservative throughout the National Environmental Policy Act (NEPA) process and includes the total area within the Gulf of Mexico for environmental evaluation.

BOEM published in the March 30, 2015, *Federal Register*, a Notice of Intent (NOI) to Prepare a Supplemental Environmental Impact Statement (EIS). The NOI seeks input on the scope of the Supplemental EIS for proposed WPA Lease Sale 248.

As part of the scoping process, BOEM's public scoping meetings will be held at the following places and times:

- **Houston, Texas:** Tuesday, April 14, 2015, Hilton Garden Inn Houston/Bush Intercontinental Airport, 15400 John F. Kennedy Boulevard, Houston, Texas 77032, one meeting beginning at 1:00 p.m. CDT; and
- **New Orleans, Louisiana:** Thursday, April 16, 2015, Bureau of Ocean Energy Management, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123, one meeting beginning at 1:00 p.m. CDT.

In lieu of participation in the scoping meetings listed above, all interested parties, including Federal, State, Tribal, and local governments, and the general public, may submit written comments on the scope of the

Supplemental EIS, significant issues that should be addressed, alternatives that should be considered, and the types of oil and gas activities of interest in the proposed lease sale area.

Written comments should be received within 30 days following the publication of the notice in the *Federal Register* in one of the following ways:
