MMS Creates Email Account for Public Commenting

WASHINGTON, D.C. - The Minerals Management Service (MMS) announced today it has created an email account for those wishing to comment on the proposed Five-Year Outer Continental Shelf Oil and Gas Leasing Program. This account is in addition to the commenting systems already in place online and by mail.

The Request for Information regarding the proposed development of a new five-year program was published in the Federal Register (73 FR 45065) on August 1, 2008. MMS is seeking public comment until September 15, 2008. The public may submit comments by email to 5yearRFIcomments@mms.gov; by using MMS's Public Connect online commenting system <https://ocsconnect.mms.gov/pcs-public>, key word 5-year; or by mail to:
