Lists of available split blocks and blocks with portions to be lease appear on pages 2 of 8, 7 of 8 and 8 of 8.

Individual block diagrams are arranged northerly to southerly and are in numerical sequence.

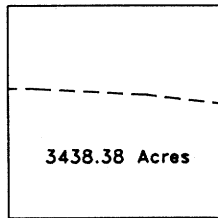

Split and irregular blocks leased as a result of the sale will be legally described by using X and Y coordinates. Any specific questions pertaining to the unleased split blocks or those with portions under lease should be referred to Mr. Wallace Williams (504) 736-2772.
