CORRECTION TO

FINAL NOTICE OF SALE PACKAGE CENTRAL GULF OF MEXICO PLANNING AREA (CPA) OUTER CONTINENTAL SHELF (OCS) OIL AND GAS LEASE SALE 235

As of February 24, 2015

List of Available Blocks for Leasing

On February 6, 2015, BOEM published in the *Federal Register* the Final Notice of Sale (FNOS) for Central Gulf of Mexico Planning Area (CPA) Sale 235 (80 FR 6758). The FNOS refers to documents entitled “*List of Blocks Available for Leasing*” and “*Unleased Split Blocks*.” The list and map identifies blocks to be offered in CPA Sale 235; however, due to a clerical error, South Marsh Island Area, North Addition, Block Number 242 was inadvertently omitted from the list.

A correction to the Final Notice of Sale for CPA Sale 235 in the Gulf of Mexico has been published in the *Federal Register*. The revised “*List of Blocks Available for Leasing*,” “*Unleased Split Blocks*” and the Statistical Information on Page 5 of the FNOS Package was revised February 24, 2015 (80 FR 9744), and are available on our website at: <http://www.boem.gov/sale-235/>.
