
Leasing Activities Information

NOTICE OF CHANGE

This is a courtesy notification of an upcoming change to BOEM's process for the publication of lease sale notices. Pursuant to Section 19 of the Outer Continental Shelf Lands Act, BOEM's Director sends "Section 19" notification letters to the Governors of affected States upon publication of the Proposed and Final Notices of Sale.

In addition, the Gulf of Mexico Regional Supervisor sends courtesy letters with copies of the Proposed and Final Notices of Sale to the Governors, some of their staff, and other stakeholders. Starting with Central Planning Area Sale 241 and Eastern Planning Area 226, scheduled to be held in March of 2016, BOEM will no longer send these courtesy copies of sale notices. All interested stakeholders may sign up to receive electronic notifications of lease sale notices and other BOEM information at:

https://www.data.boem.gov/homepg/data_center/other/gmaillist/subscribe.asp.

All lease sale documents are available on the BOEM website at:
