## **Please Note:**

Terms and conditions for the Proposed NOS 227 are generally the same as for the June 2012 CPA Lease Sale 216/222. The following noteworthy matters are highlighted for your attention:

### **Updated Electronic Funds Transfer (EFT) Instructions**

Bidders are advised that the EFT instructions have been updated. Please refer to the following website for complete information:

<http://www.boem.gov/Oil-and-Gas-Energy-Program/Leasing/Regional-Leasing/Gulf-of-Mexico-Region/Lease-Sales/227/index.aspx>

### **Geophysical Data and Information Statements**

This Proposed NOS Package includes information for bidders regarding the submission of Geophysical Data and Information Statements (GDIS). Every bidder submitting a bid on a block in CPA Sale 227, or participating as a joint bidder in such a bid, must submit at the time of bid submission a GDIS in a separate and sealed envelope, identifying any proprietary data, reprocessed speculative data and/or any CSEM, Gravity or Magnetic data, or other information used as part of the decision to bid or participate in a bid on the block. **Please note: You may submit the GDIS Information Table digitally on a Compact Disc or Digital Video Disc as an Excel Spreadsheet.**

### **U.S. and Mexico Treaty**

The U.S. and Mexico exchanged instruments of ratification in January 2001, and a continental shelf boundary treaty entered into force in the Western Gap area. This treaty contained provisions for a ten year moratorium on drilling within 1.4 nautical miles of the maritime boundary on both the U.S. and Mexican sides. While this moratorium was initially scheduled to expire in January 2011, the U.S. and Mexico mutually agreed to extend the Western Gap buffer zone for an additional three years. This buffer zone now remains in effect until January 2014.

### **U.S.-Mexico Maritime and Continental Shelf Boundary**

Bidders are advised to refer to the Proposed NOS and paragraph (p) in the Information to Lessees portion of this document for detailed information pertaining to bids submitted on blocks in the Boundary Area. Such bids may not be opened on the date scheduled for the sale, but may be opened at a later date. On or before 30 days following execution of a Transboundary Agreement or September 30, 2013, whichever occurs first, the Secretary of the Interior will determine whether it is in the best interest of the United States either to open bids for Boundary Area blocks or to return the bids unopened.
