

California Energy Commission

MEETING SCHEDULE: Staff Workshop on Offshore Renewable Energy

Friday, March 3, 2017 – 9:00 am
First Floor - Arthur Rosenfeld Hearing Room
1516 Ninth Street, Sacramento, CA 95814
Webex available

(Listed times below are approximate)

This roundtable will provide an opportunity for Commissioners, stakeholders, agencies, as well as the public to participate in a discussion about potential for renewable energy development offshore California including BOEM-California Intergovernmental Renewable Energy Task Force, data gathering efforts, and stakeholder tools.

A quorum of Commissioners from the California Energy Commission may be in attendance, but no Energy Commission business will be discussed and no votes will be taken.
