- ~~~~~

**Please Note:**

This is the fourth sale in the 2017-2022 Five-Year Program. Terms and conditions for Region-wide Sale 252 are generally the same as for previous sales held in the Gulf of Mexico. The following noteworthy matters are highlighted for your attention:

**Bid Opening Procedure**

**Similar to Region-wide 251 held in August of 2018 the bid opening, at a location in New Orleans to be determined, will not be open to the public. Instead, the bid opening will be available for the public to view in real-time on BOEM's website at [www.boem.gov](http://www.boem.gov) via video live-streaming beginning at 9:00 a.m. on the day of the sale. The use of live-streaming to announce bids is being implemented to provide greater access to a wider national and international audience while ensuring the security of BOEM staff. BOEM will also post the results on its website after bid opening and reading is completed.**

**Proposed Expansion of the Flower Garden Banks National Marine Sanctuary (FGBNMS) Information to Lessees (ITL)**

Bidders are advised that on June 10, 2016, NOAA published a Notice of Availability in the Federal Register of a Draft Environmental Impact Statement analyzing the proposed expansion of the Flower Garden Banks National Marine Sanctuary (FGBNMS or Sanctuary) boundaries. Based on the recommendation contained within the Sanctuary Expansion Action Plan of the FGBNMS Management Plan (April 2012), 81 *FR* 37576 (June 10, 2016) at <https://www.gpo.gov/fdsys/pkg/FR-2016-06-10/pdf/2016-13661.pdf>.

Bidders are advised that certain activities related to oil and gas exploration and development are already prohibited within the recommended FGBNMS expansion, as these areas have been designated "No Activity Zones" by BOEM (See Stipulation 1: Topographic Features). These restrictions are also explained in NTL No. 2009-G39: "Biologically Sensitive Underwater Features and Areas," for the Central and Western planning areas of the OCS in the Gulf of Mexico.

**Electronic Funds Transfer (EFT) Instructions**

Please note important payment information on the ONRR Payment Information webpage at <http://onrr.gov/ReportPay/payments.htm> . Please refer to the following website for complete information: <http://www.boem.gov/sale-252/>.

**Geophysical Data and Information Statements**

This Proposed NOS Package includes information for bidders regarding the submission of Geophysical Data and Information Statements (GDIS). Every bidder submitting a bid on a block in the Region-wide Sale 252, or participating as a joint bidder in such a bid, must submit at the time of bid submission a GDIS in a separate and sealed envelope. The sealed envelope shall include all identifying and proprietary data, reprocessed speculative data and/or any Controlled Source Electromagnetic, Gravity or Magnetic data, or other information used as part of the decision to bid or participate in a bid on the block. **Please note: The GDIS Information Table may be submitted digitally on a CD or DVD as an Excel Spreadsheet.**

**Bidder/Lessee Notice Obligations Related to Criminal/Civil Charges and Offenses, Suspension or Debarment ITL**

Bidders and/or Lessees are advised to refer to the Region-wide Sale 252 Information to Lessees portion of the document, paragraph (10). This ITL clause reminds bidders/lessees that it is incumbent upon them to notify BOEM of any conviction that may result in a suspension and/or debarment prohibiting them from entering into a contract with the United States.
