

# Right Whale Protection Measures

Protected species observers will watch and listen

All vessels will have a protected species observer

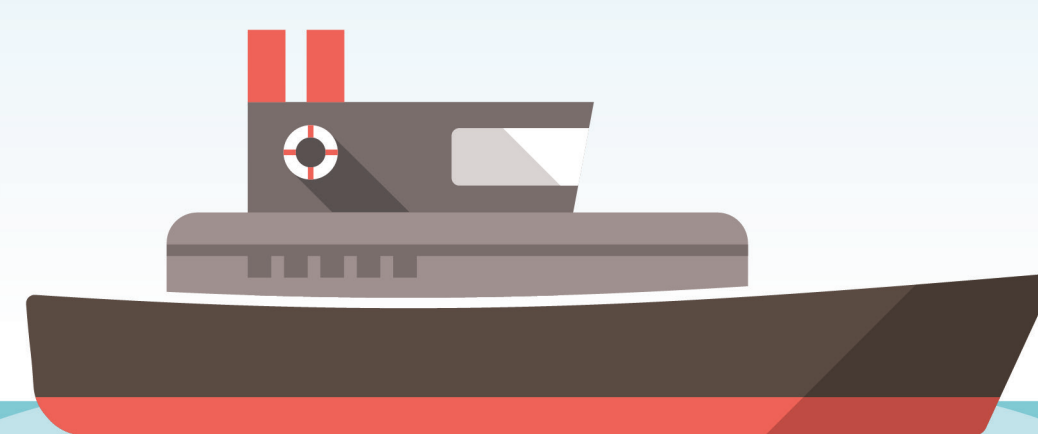

No pile-driving at night

Vessels restricted to 10 knots (or less)

▪ Nov 1 to May 14

10 knots

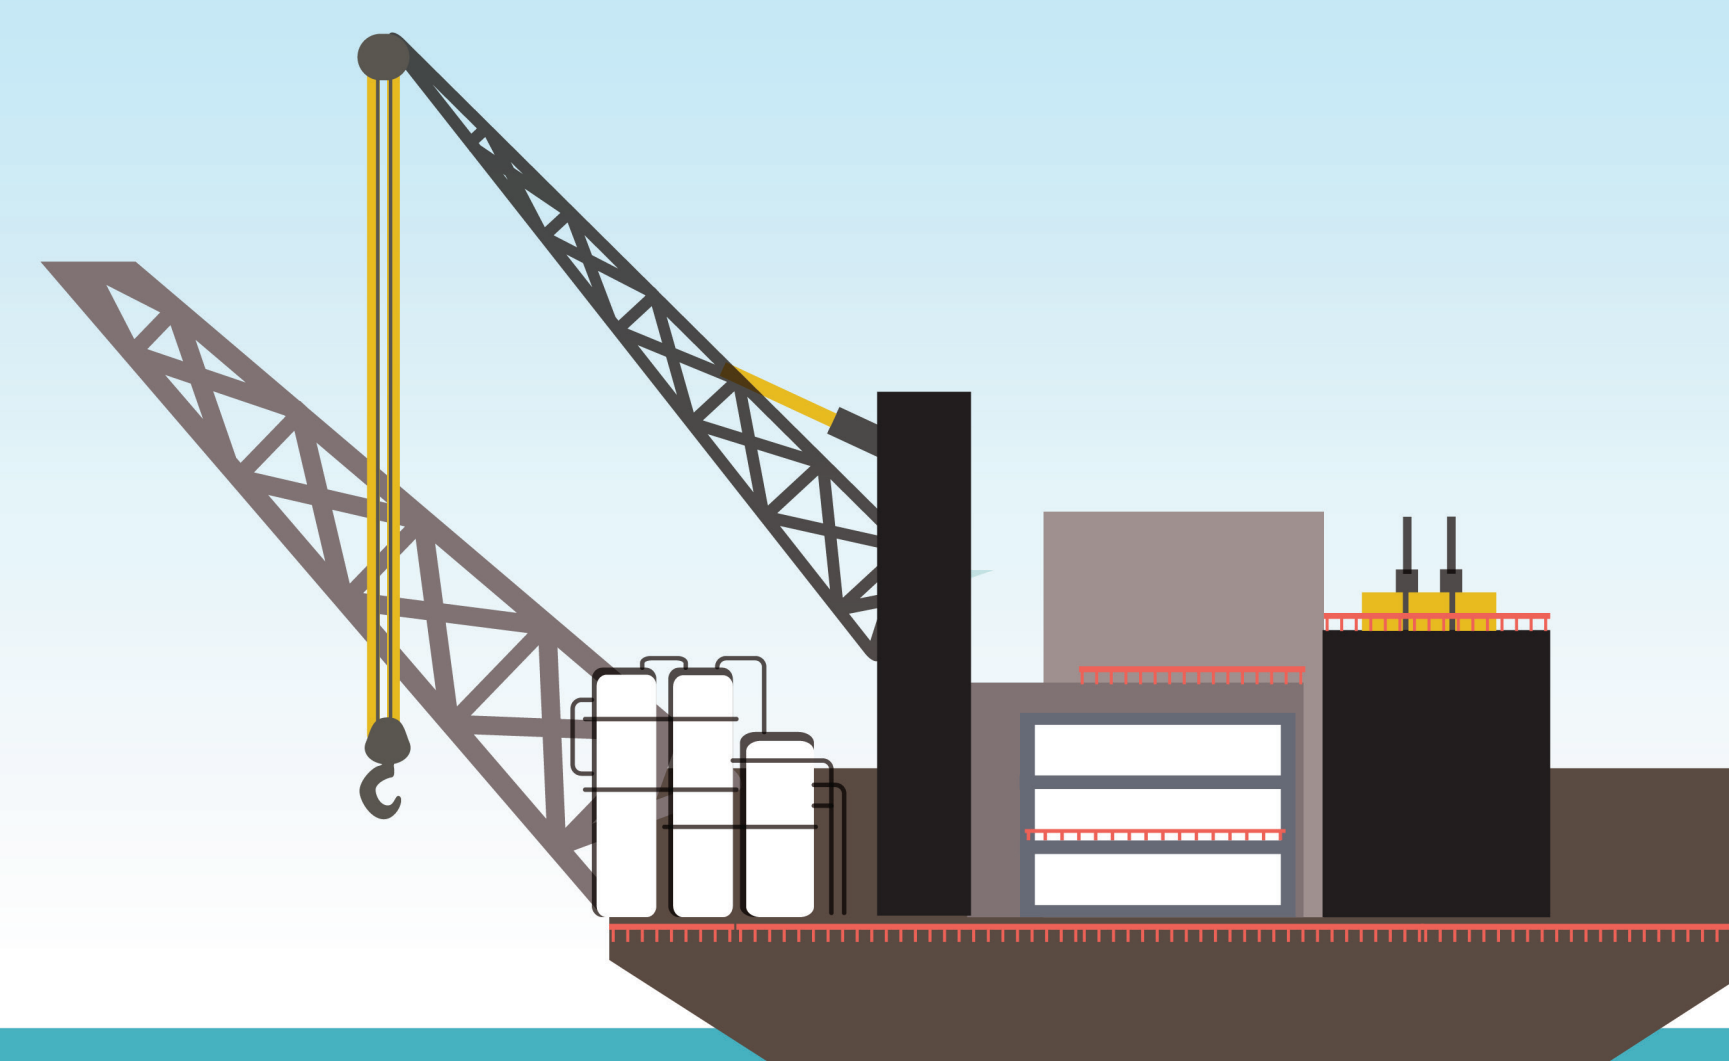

Sound reduction technology lowers noise levels and causes less disturbance to animals

Pre-construction surveys each day

Post-construction monitoring

Prohibition on pile driving

▪ Jan 1 to April 30

No pile driving when animals are in the clearance zone
