

Agenda

Bureau of Ocean Energy Management (BOEM) Gulf of Mexico Fisheries Summit Commercial Shrimp Industry

**Wednesday, January 19, 2022
9:00 AM – 12:00 PM CT**

Meeting Purpose/Objectives

- Share Bureau of Ocean Energy Management (BOEM) Gulf of Mexico Region’s upcoming plans, activities, and schedules for offshore renewable energy, including the Call Area, the lease auction Environmental Assessment, and potential next steps in the BOEM leasing process.
- Discuss fisheries concerns related to offshore renewable energy in the Gulf of Mexico Region.
- Share information on Gulf-wide sand inventory initiatives and lay foundation for continued interstate coordination.
- Establish and strengthen relationships between fishing industry and BOEM.
