

## Appendix A: Agency Correspondence

Table 1: Summary of Federal, Tribal, State and Municipal Meetings

Date	Entity	Topic
August 2018	Bureau of Ocean Energy Management (BOEM) <sup>1</sup>	Geotechnical and Geophysical Pre-survey Meeting
August 2018	BOEM, Shinnecock Indian Nation, Wampanoag Tribe of Gay Head, Mashantucket Pequot Tribal Nation, Mashpee Wampanoag Tribe	Tribal Pre-survey Meeting for Geotechnical and Geophysical Surveys
September 2018	Commercial Fisheries Center of Rhode Island (CFCRI)	Fisheries Monitoring and Project Update
September 2018	U.S. Coast Guard (USCG)	Project Introduction Meeting
October 2018	RI Coastal Resources Management Council (RI CRMC) <sup>2</sup> Bay SAMP Subcommittee	Project Update
December 2018	U.S. Naval Undersea Warfare Center (NUWC)	Project Update
March 2019	Massachusetts Habitat Working Group	Project Update
April 2019	RI CRMC	Project Update
May 2019	BOEM, Shinnecock Indian Nation, Wampanoag Tribe of Gay Head, Mashantucket Pequot Tribal Nation, Mashpee Wampanoag Tribe	Tribal Pre-survey Meeting for Geotechnical and Geophysical Surveys
July 2019	BOEM	Revolution Wind Kick Off Meeting
July 2019	National Oceanic and Atmospheric Administration (NOAA) – Greater Atlantic Regional Fisheries Office (GARFO)	Introduction Meeting to the Project
August 2019	BOEM	Geotechnical and Geophysical Pre-Survey Meeting
September 2019	USCG	Project Introduction

<sup>1</sup> In addition, Revolution Wind held standing bi-weekly meetings with BOEM to discuss ongoing action items and Project needs.

<sup>2</sup> In addition, Revolution Wind held regular weekly check ins with CRMC during the latter half of 2022 and 2023 to discuss ongoing action items and Project needs.

Date	Entity	Topic
		Navigational Risk Assessment kick-off
September 2019	Rhode Island Department of Environmental Management (RIDEM) <sup>3</sup>	Project Introduction
November 2019	Massachusetts Fisheries Working Group	Project Update
December 2019	BOEM	Underwater Acoustic Modeling Approach Meeting
December 2019	NOAA/National Marine Fisheries Service (NMFS), BOEM	Underwater Acoustic Modeling Approach Meeting
December 2020	Massachusetts Habitat Working Group	Project Update
December 2019	Shinnecock Indian Nation, Wampanoag Tribe of Gay Head, Mashantucket Pequot Tribal Nation, Mashpee Wampanoag Tribe	Cultural Core Tribal Review
January 2020	BOEM	Review and Update of Geophysical Data Protocol
January 2020	RI CRMC Cable Working Group	Update on export cable route through Narragansett Bay
February 2020	BOEM	Review and Update of Geophysical Data protocol and Marine Archaeological Assessment
February 2020	RI CRMC Cable Working Group	Project Update
February 2020	RI CRMC Fisheries Advisory Board (FAB)	Project Update
February 2020	Shinnecock Indian Nation, Wampanoag Tribe of Gay Head (Aquinnah), Mashantucket Pequot Tribal Nation, Mashpee Wampanoag Tribe, BOEM	Tribal Pre-Survey Meeting for 2020 Geophysical and Geotechnical Surveys
February 2020	BOEM	2020 Geophysical Pre-Survey meeting
February 2020	Wampanoag Tribe of Gay Head (Aquinnah)	Project Introduction

<sup>3</sup> In addition, Revolution Wind held bi-weekly check ins with RIDEM beginning in 2021 to run through ongoing action items and Project needs.

Date	Entity	Topic
March 2020	U. S. Army Corps of Engineers (USACE) <sup>4</sup>	Project Update
March 2020	Rhode Island Energy Facility Siting Board (RI EFSB)	Project Introduction
April 2020	RI CRMC	Project Update
May 2020	RI CRMC	Review of Proposed Fisheries Monitoring Plan
May 2020	RI CRMC	Project Update (Focus on landfall)
May 2020	U.S. Environmental Protection Agency (US EPA) <sup>5</sup>	Project Introduction
June 2020	Massachusetts Division of Marine Fisheries (MADMF)/Massachusetts Office of Coastal Zone Management (MACZM)	Review of Proposed Fisheries Monitoring Plan
June 2020	RIDEM	Review of Proposed Fisheries Monitoring Plan
June 2020	Responsible Offshore Science Alliance (ROSA)/Responsible Offshore Development Alliance (RODA)	Review of Proposed Fisheries Monitoring Plan
July 2020	BOEM/NOA NMFS	Review of Proposed Fisheries Monitoring Plan
August 2020	RI CRMC/RIDEM	Project Update (Focus on onshore substation)
September 2020	RI EFSB	Project Update
September 2020	BOEM	Geophysical Data Review Workshop
November 2020	USACE	Project Update
November 2020	RI CRMC	Project Update (Focus on landfall installation options)
November 2020	USACE	Project Update (Focus on landfall installation options)
November 2020	RIDEM	Project Update (Focus on landfall installation options)
December 2020	BOEM/NOAA NMFS	Project Update (Focus on landfall installation options)

<sup>4</sup> In addition, Revolution Wind has held monthly check ins with USACE beginning in January 2022 to run through ongoing action items and Project needs.

<sup>5</sup> In addition, Revolution Wind has held monthly check ins with US EPA beginning in spring 2022 to run through ongoing action items and Project needs.

Date	Entity	Topic
December 2020	BOEM	Project Update (Focus on interconnection facility and status of COP)
December 2020	RI CRMC/RIDEM	Project Update (Focus on onshore substation and interconnection facility)
January 2021	BOEM/NPS/Mashantucket Pequot Tribal Nation/Chappaquiddick Tribe of Wampanoag Nation	Review of Visual Simulations
January 2021	MACZM/Massachusetts Department of Environmental Protection	Review of Visual Simulations
January 2021	Wampanoag Tribe of Gay Head (Aquinnah)/BOEM	Review of Visual Simulations
January 2021	New York State Historic Preservation Office	Review of Visual Simulations
February 2021	Rhode Island Historical Preservation and Heritage Commission (RIHPHC)	Review of Visual Simulations
March 2021	RI CRMC	Review of Preliminary Determination Filing
April 2021	NOAA/RIDEM	Time of Year Restrictions in RI State Waters
May 2021	Delaware Tribe of Indians, Mashantucket Pequot Tribal Nation	Discussion of Environmental Justice Concerns
May 2021	Unkechaug Indian Nation	Discussion of Environmental Justice Concerns
May 2021	RI CRMC/RIDEM	Review of Stormwater Modeling Approach for Onshore Facilities
May 2021	BOEM	Scoping Meetings (May 13, 18, 20)
May 2021	MACZM	Voluntary Federal Coastal Consistency Review Filing
May 2021	RIDEM	Ventless Trap Survey in RI State Waters
June 2021	MACZM	Voluntary Federal Coastal Consistency Review Filing
July 2021	RIHPHC	Project Update/Advisory Opinion to RI Energy Facility Siting Board
July 2021	BOEM	Update on Terrestrial Archaeology Surveys

Date	Entity	Topic
August 2021	NOAA NMFS <sup>6</sup> /BOEM	Incidental Take Authorization Pre-Application Filing Meeting
August 2021	RI CRMC FAB/Habitat Advisory Board (HAB)	Federal Consistency Review Kickoff Meeting
August 2021	BOEM	Update on Terrestrial Archaeology
August 2021	BOEM	Review of Lease Area Siting Constraints
August 2021	NOAA NMFS/BOEM	Continued Pre-Application Discussion
August 2021	BOEM/NOAA NMFS	Review of Benthic Habitat Delineations
September 2021	BOEM	Cumulative Visual Simulations
September 2021	USACE/RIDEM	Site Visit of Onshore Substation Site
September 2021	RI CRMC FAB/HAB	Fisheries Monitoring Plan Review
October 2021	RIHPHC	Terrestrial Archaeology Update
October 2021	USACE	Project Update/Pre-Filing Meeting
October 2021	RI EFSB	Board Hearing (October 12)
October 2021	RI EFSB	Site Tour
November 2021	RI EFSB	Board Hearing (November 1 and 2)
November 2021	NOAA NMFS	Discussion of Comments on Draft Application
November 2021	BOEM	Cumulative Visual Simulations
November 2021	BOEM	Discussion of Section 106 Process for Project
November 2021	RI CRMC	Review of Benthic Habitat Mapping
November 2021	NOAA NMFS	Discussion of Comments on Draft Application
December 2021	United States Air Force, North American Aerospace Defense Command, Federal Aviation Administration (FAA)	Mitigation Response Team (MRT) Kickoff
January 2022	Mashpee Wampanoag Tribe and Mashantucket Pequot Tribal Nation	Informational meeting to introduce the Marine Archaeological Resource Assessment (MARA)
February 2022	Wampanoag Tribe of Gay Head (Aquinnah) and Mashpee Wampanoag Tribe	Informational meeting for MARA and Traditional Cultural Property mitigation measures

<sup>6</sup> In addition, Revolution Wind held regular check ins with NOAA NMFS on the ITA application beginning in late 2021 to run through ongoing action items and Project needs.

Date	Entity	Topic
February 2022	BOEM	Workshop on wind farm design and layout
February 2022	BOEM	2022 Geophysical Survey Plan pre-survey meeting
February 2022	CRMC	Review Benthic Habitat Mapping
March 2022	Wampanoag Tribe of Gay Head (Aquinnah), Mashantucket Pequot Tribal Nation, Mashpee Wampanoag Tribe	2022 Geophysical Survey Plan pre-survey meeting
March 2022	CRMC	Cable Installation Methodologies
March 2022	CRMC	Review of Benthic Habitat Mapping
March 2022	CRMC	Discussion on electromagnetic fields (EMF)
June 2022	CRMC/RIDEM	Discussion on Cable Burial
June 2022	RIHPHC	Overview of Section 106 process and cultural resource study findings
July 2022	CRMC	Aquaculture
August 2022	Town of Aquinnah Gay Head Lighthouse Advisory Board	Discussion of potential visual impacts and potential mitigation options
September 2022	RIHPHC	Overview of substantive changes to S106 cultural resource study findings
September 2022	RIDEM USACE	Call to run through ongoing Action Items and Project Needs
October 2022	BOEM	Workshop on wind farm design and layout
October 2022	NMFS	Workshop on wind farm design and layout
November 2022	CRMC	CRMC First and Second Council Hearings for Category B Application
December 2022	CRMC	CRMC Third Council Hearing for Category B Application
January 2023	NMFS	Boulder Relocation Workshop
February 2023	NMFS	Cable Installation Workshop
March 2023	US Fish and Wildlife Service, BOEM	Meeting to discuss Avian and Bat Monitoring Plan
