

**Bureau of Ocean Energy Management (BOEM)-Oregon
Intergovernmental Renewable Energy Task Force Meeting 12 Agenda
9:00am – 1:45 pm PT on May 23, 2024**

Advanced registration is required and can be found on [this registration page](#).

A confirmation email containing the webinar link and audio line will be sent after registration.

There will be a public input opportunity following the Task Force Meeting from 1:50 – 4:00 pm

Task Force Purpose: Facilitate coordination, consultation and information sharing among federal, state, local and Tribal governments regarding renewable energy leasing process on the Outer Continental Shelf (OCS) in Oregon.

Meeting Objectives

- Provide an update to Task Force members on activities relevant to offshore wind energy since the September 2023 Task Force meeting.
- Outline next steps in the offshore wind energy leasing process, including overview and discussion of BOEM’s next steps, including the Proposed Sale Notice and opportunities to provide input into the process through the anticipated lease sale.
- Overview and discussion on the Oregon Offshore Wind Roadmap and Oregon Energy Strategy.
- Engage in Task Force discussion on meeting topics and provide input to BOEM and the State of Oregon.
- Provide an opportunity for Task Force members to share updates relating to offshore wind energy.
