

**New York Bight Programmatic Environmental Impact Statement (PEIS)
Virtual Environmental Justice Roundtable Convening**

**July 21, 2022
11 a.m. – 1 p.m.**

Draft Agenda

[Registration Link](#)

Meeting Objectives

- Share information gathered in convening preparation meetings with state partners, federal agencies, and community members.
- Identify priorities, needs, and issues to address through BOEM’s draft New York Bight (NYB) PEIS specific to environmental justice (EJ) communities.
- Refine a process for interagency coordination on EJ issues in the NY Bight.
- Further develop the network of environmental justice and underserved community organizations to engage.
